Attached is a Draft '... Do Not Return...' Application for Permit and a partially completed form & map for you to finish and return to Idaho DEPT of Water Resources with your filing fee. These are also being sent to you via U.S. mail along with a set of Application Instructions, Well Driller's Report and other information.

The Draft Application has yellow highlighted portions that we will need to discuss when you have the Draft form and map in front of you. Please phone me at (208) 762.2816, once you have received the U.S. mail form and map, to finish filing out the form and labeling the map. Please use one of the unlabeled color maps I have provided in the U.S. mail envelope to mark your well location and place of use boundaries and attach it to your completed Application form.
