Narrative			
On October 18, 2021, Robert E Hart submitted an application to lease water right no. 29-14263 to the Water Supply Bank. Mr. Hart is the owner of record, and proposes to lease the full right of 71.8 acres, 0.70 cfs and 287.0 acre feet.			
Water right no. 29-14263 was created in 2018 from a portion of water right no. 29-2395 through a change in ownership. Water right 29-14263 was decreed in 2004 (prior to being split from 29-2395). The right was involved with in program from 1997 to 2010 that provided a valid defense to forfeiture. The right was then leased to the Bank from 2013 through 2021. Forfeiture is not a concern. The proposed lease is a renewal of the previous lease that expired on December 31, 2021.			
The water right to be leased shares the point of diversion with water right no. 29-2395. Right no. 29-2395 is authorized to divert 2.11 cfs. No injury from the proposed lease to other rights is apparent. Eastern replied with no concerns.
