RE: Change in Ownership
Water Rights: 27-7492, 27-10489, 27-11154, 27-11155

Dear Sir/Madam:

On September 18, 2020, you filed a Notice of Change in Water Right Ownership (ownership change) with the Idaho Department of Water Resources (IDWR), seeking to update the ownership records for the water rights listed above. After an initial review, we determined that you needed to provide additional evidence of ownership and/or additional filing fee. There were a couple of water rights listed that indicated they could be updated; however, they are domestic and stock water, it does not appear you own the domestic portion so additional review maybe required. On December 23, 2021, we sent a letter requesting the additional information. The additional information was to be provided within 30 days.

IDWR has never received a response to the request. Without the requested documents, we cannot verify ownership of the water right and cannot complete the ownership change. We are therefore returning your original ownership change and have initiated a refund of your filing fee (\$100.00). The refund from the state of Idaho will arrive at the address listed above within a couple of weeks.

Please feel free to re-file your change in ownership any time in the future. Because your filing fee is being refunded, you will need to determine and provide the proper filing fee at the time you re-file the Assignment.

If you have any questions, feel free to contact me at (208) 525-7161.

Respectfully submitted,

RE: Change in Ownership Water Right No. 27-7492, 27-10489, 27-11154, 27-11155

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. The department has sufficient evidence to update 27-11154 and 27-11155.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership/Additional Filing Fee:** According to the information received, LSJ Wapello Farm did not purchase the entire place of use of 27-7492, no portion of 27-10489 was purchased. Please review the maps attached, supply additional evidence of ownership if you believe you own the entire place of use of 27-7492 and 27-10489. If you believe a split is required, an additional filing fee is required. If you do not own any portion of 27-10489 and only a portion of 27-7492 the filing fee for your application will be \$150.00 ($1 \times \$100 + 2 \times \$25 = \$150.00$). The department already received \$100.00 with your application, therefore an additional \$50.00 would be required. Please supply additional evidence of ownership or additional filing fee.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
