RE: Change in Ownership Water Right No. 35-2786

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** Please provide a copy of the vesting deed for the property and/or water right for the water rights listed above. The department acknowledges receipt a partial copy of an unrecorded Warranty Deed dated January 5, 2022. Please supply a full copy of the recorded Warranty Deed.

**** **Evidence of Security Interest/Filing Fee:** A notice of security interest for Farm Service agency was also attached. The fee for a security interest is \$25.00. Please provide the fee for the security interest to be added as well as evidence of security interest, a full copy of the recorded Deed of Trust or Mortgage.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
