Re: Change in Ownership for Water Right No(s): 37-20868, 37-20877, 37-20871, 37-20879, 37-20873, AND 37-20875

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Please note, the water rights mentioned above currently identify the firm of Speck & Aanestad as the attorney. If this is no longer correct, the Department can remove and/or update the attorney on the water rights with your written authorization. Identifying an attorney on a water right is not required but will ensure that they receive copies of any correspondence related to that water right.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

Also please note that the Warranty Deed conveys two separate parcels in the Bellevue Farms Subdivision; Lot 7 of Block 3 and a 12.5% interest in Lot 13B Block 4. A Notice of Change in Water Right Ownership also needs to be completed for Water rights 37-21929, 37-21912, 37-21895, 37-21878, 37-218611, and 37-21844.

If you have any questions concerning the enclosed information, please contact me at (208) 293-9916.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Kent Aasa'.
