RE: Change of Ownership
Water Rights: 34-649A

Dear Sir/Madam:

On December 7, 2021, you filed a Notice of Change in Water Right Ownership (ownership change) with the Idaho Department of Water Resources (IDWR), seeking to update the ownership records for the water rights listed above. After an initial review, we determined that you needed to provide additional evidence of ownership. On December 8, 2021, we sent a letter requesting the additional information. The additional information was to be provided within 30 days.

IDWR has never received a response to the requested documents. Without the requested documents, we cannot verify ownership of the water right and cannot complete the ownership change. We are therefore returning your original ownership change and have initiated a refund of your filing fee (\$100.00). The refund from the state of Idaho will arrive at the address listed above within a couple of weeks.

Please feel free to re-file your ownership change at any time in the future. Because your filing fee is being refunded, you will need to determine and provide the proper filing fee at the time you re-file the ownership change.

If you have any questions, feel free to contact me at (208) 525-7161.

Respectfully submitted,

RE: Change in Ownership Water Right No. 34-649A

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** Copy of the 'full recorded' Deed or other legal document indicating your ownership in the above-mentioned water right and/or property. The department acknowledges receipt of a tax bill receipt unfortunately the department cannot use that as evidence of ownership.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
