Re: Change in Ownership for Water Right No(s): 37-22536 & 37-22538

Dear Water Right Holders:

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water rights to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 736-3033.

Sincerely,

Bill Mills

Bill,

Attached is a copy of the corrected Water Rights Quitclaim Deed. Please confirm this is all you need to now proceed with completing the ownership change for these two water rights.

Thanks.

Jim,

The final document in the chain of title you provided in the attachment to the previous email is the quitclaim from Scott and Katherine Harvey to Mike Clayville, trustee of the Mike and Holly Clayville Living Trust (which is attached) assigning ownership of water rights 37-22536 and 37-22538 to the Mike and Holly Living Trust. You had indicated that the quitclaim needed to be corrected to read the Michael and Holly Living Trust and not the Mike and Holly Living Trust. The Department wants to get this right, so if your office could provide us with a corrected quitclaim, it would be greatly appreciated.

Thanks,

Bill

Bill,

Attached is the NCO for 37-22536 & 37-22538 that identifies the new owner as the Michael and Holly Clayville Living Trust. It was clearly filed with IDWR on Dec. 3, 2021. I have no idea where the other one came from but you should simply destroy that version and proceed under the attached.

Jim,

Yes, if your office can provide me with a corrected quitclaim, then I can update the ownership to the Michael and Holly Living Trust for water rights 37-22536 & 37-22538. I will hold off on processing the ownership change until I receive the corrected quitclaim.

There is also a previously completed ownership change for water rights 37-23310 (split from 37-21253) & 37-21269 where the quitclaim indicated it was the Mike and Holly Living Trust and we processed it that way. Those also could use correcting; however, it would require submitting a new notice of ownership change along with \$25.00 fee per right and a corrected quitclaim. I have attached the related files in case your office wants to update those two water rights also.

And a Happy New Year to you as well!

Bill

Bill,

Thanks for bringing this to my attention. It is the same trust and the correct name is "Michael and Holly Living Trust." All of the water rights for the Fawn Creek property should be held in that name. If necessary, we can provide you with a correction quitclaim deed for 37-22536 & 37-22538. Please let me know if that's what IDWR will require.

HAPPY NEW YEAR!

Subject: Ownership Change for WR 37-11980, Mike and Holly Clayville Living Trust

Jim,

On 12/3/2021 the Department received ownership changes from your office for water rights 37-22536, 37-2238 and 37-11980. The deed that was included with the ownership change for water right 37-11980 lists the Grantee as Michael Clayville, Trustee of the Michael and Holly Clayville Living Trust. All the other ownership changes we've processed for the Claysville's have indicated the trust is titled the Mike & Holly Clayville Living Trust, not the Michael and Holly Clayville Trust. I'm thinking the Warranty Deed from Blaine County Title may need to be corrected before we can process this ownership change unless they've changed the name of the trust or have more than one trust. What are your thoughts on this?

Sincerely,

Bill Mills
