RE: CHANGE IN OWNERSHIP FOR: 37-7926

Dear Claimant:

On February 22, 2022, the department received a change of address for the above-mentioned water right. However, the owner of the water right does not match the names on the Address Change application. Therefore, a Notice of Change in Water Right Ownership is required. Address Change application and Proof Report for the water right is enclosed.

It has come to our attention that you may have recently purchased a tract of land in Blaine County. The property to which I am referring was most recently owned by Kiril Sokoloff. The legal description includes but not limited to land within the following:

Township 4 North Section 12 Range 17 East

Enclosed is a Change in Ownership form. Please fill out the form completely, sign and date it and return it to our office along with the proper fees, a "copy" of your Warranty Deed and legal description of the property you have purchased.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department within 120 days. Failure to report these changes could result in a \$100.00 late filing fee. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

If you have any questions regarding this matter, please call 525-7161.

Respectfully submitted,

Jonie Barg
