RE: Change in Ownership Water Right No. 35-2030, 35-11033, 35-2207, 35-2768

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership/Split Fee:** It appears we have all the required evidence of ownership for water right numbers 35-2207 and 35-2768. However, it appears you only purchased a portion of water rights 35-2030 and 35-11033. Please review the map attached in the NE SE Section 32, Township there are 39 acres of water right however it appears you only purchased approximately 29 acres within that quarter quarter. Please provide the additional split filing fee or evidence of ownership of the property covering the entire place of use of the water right or the water right itself. The filing fee for a split ownership change is \$100.00 per water right. Because two water right would require a split the additional fee would be \$150.00, because you have already paid \$25.00 for each water right.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
