EXPLANATORY INFORMATION TO ACCOMPANY A PRELIMINARY ORDER

(To be used in connection with actions when a hearing was **not** held)

(Required by Rule of Procedure 730.02)

The accompanying order or approved document is a "**Preliminary Order**" issued by the department pursuant to section 67-5243, Idaho Code. **It can and will become a final order without further action of the Department of Water Resources ("department") unless a party petitions for reconsideration, files an exception and brief, or requests a hearing as further described below:**

PETITION FOR RECONSIDERATION

Any party may file a petition for reconsideration of a preliminary order with the department within fourteen (14) days of the service date of this order. **Note: the petition must be received by the department within this fourteen (14) day period.** The department will act on a petition for reconsideration within twenty-one (21) days of its receipt, or the petition will be considered denied by operation of law. See Section 67-5243(3) Idaho Code.

EXCEPTIONS AND BRIEFS

Within fourteen (14) days after: (a) the service date of a preliminary order, (b) the service date of a denial of a petition for reconsideration from this preliminary order, or (c) the failure within twenty-one (21) days to grant or deny a petition for reconsideration from this preliminary order, any party may in writing support or take exceptions to any part of a preliminary order and may file briefs in support of the party's position on any issue in the proceeding with the Director. Otherwise, this preliminary order will become a final order of the agency.

REQUEST FOR HEARING

Unless a right to a hearing before the Department or the Water Resource Board is otherwise provided by statute, any person aggrieved by any final decision, determination, order or action of the Director of the Department and who has not previously been afforded an opportunity for a hearing on the matter may request a hearing pursuant to section 42-1701A(3), Idaho Code. A written petition contesting the action of the Director and requesting a hearing shall be filed within fifteen (15) days after receipt of the denial or conditional approval.

ORAL ARGUMENT

If the Director grants a petition to review the preliminary order, the Director shall allow all parties an opportunity to file briefs in support of or taking exceptions to the preliminary order and may schedule oral argument in the matter before issuing a final order. If oral arguments are to be heard, the Director will within a reasonable time period notify each party of the place, date and hour for the argument of the case. Unless the Director orders otherwise, all oral arguments will be heard in Boise, Idaho.

CERTIFICATE OF SERVICE

All exceptions, briefs, requests for oral argument and any other matters filed with the Director in connection with the preliminary order shall be served on all other parties to the proceedings in accordance with IDAPA Rules 37.01.01302 and 37.01.01303 (Rules of Procedure 302 and 303).

FINAL ORDER

The Director will issue a final order within fifty-six (56) days of receipt of the written briefs, oral argument or response to briefs, whichever is later, unless waived by the parties or for good cause shown. The Director may remand the matter for further evidentiary hearings if further factual development of the record is necessary before issuing a final order. The department will serve a copy of the final order on all parties of record.

Section 67-5246(5), Idaho Code, provides as follows:

Unless a different date is stated in a final order, the order is effective fourteen (14) days after its service date if a party has not filed a petition for reconsideration. If a party has filed a petition for reconsideration with the agency head, the final order becomes effective when:

- (a) The petition for reconsideration is disposed of; or
- (b) The petition is deemed denied because the agency head did not dispose of the petition within twenty-one (21) days.

APPEAL OF FINAL ORDER TO DISTRICT COURT

Pursuant to sections 67-5270 and 67-5272, Idaho Code, if this preliminary order becomes final, any party aggrieved by the final order or orders previously issued in this case may appeal the final order and all previously issued orders in this case to district court by filing a petition in the district court of the county in which:

- i. A hearing was held,
- ii. The final agency action was taken,
- iii. The party seeking review of the order resides, or
- iv. The real property or personal property that was the subject of the agency action is located.

The appeal must be filed within twenty-eight (28) days of this preliminary order becoming final. See section 67-5273, Idaho Code. The filing of an appeal to district court does not itself stay the effectiveness or enforcement of the order under appeal.

MEMORANDUM

Date: February 24, 2022
To: Transfer #85789 – Hansens Quality Jerseys LLC Transfer File
From: Tyler Wallace
Re: Evaluation of Sufficiency of Information Submitted

Application for transfer proposes to change the place of use (POU) for two irrigation rights with a combined flow rate of 4.79 cfs, which currently irrigate 263.0 acres located approximately 7 miles north of Acequia. The proposed POU will modify the existing POU to reflect changes in the irrigation system.

The transfer is in Water District 130 so Watermaster comments were solicited. The watermaster had no opposition to the transfer. Advertising is not necessary because the transfer will only change the POU of land contiguous to the present POU.

- **Authority to File:**
The Department's database indicates that water right 36-16758 and 36-16760 are owned by Hansens Quality Jerseys LLC. The application was signed by the John P. Hansen (manager) and Vickie Hansen (co-manager).
- **Water Right Validity:**
The water rights were decreed in the SRBA in 2001. Validation of recent use for said water rights was confirmed using available aerial photography of the place of use.
- **Injury to Other Water Rights:**
None anticipated or foreseen. Transfer is only to change POU to match the current irrigation system.
- **Enlargement of Use:**
None anticipated. Transfer proposes no increase in volume of water used or acres irrigated.
- **Local Public Interest:**
No issues anticipated. The transfer was not advertised.
- **Beneficial Use/Conservation of Water Resources:**
Proposed use is recognized as a beneficial use of water.
- **Effect on the Economy of the Local Area:**
None Anticipated
- **Effect of the Agricultural Base of the Area:**
None Anticipated

Review of the application finds there is no clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.

FEE MEMORANDUM

Date: February 23, 2022
To: Transfer #85789, Hansens Quality Jerseys LLC
From: Tyler Wallace
Re: Receipting of fees paid

This transfer was filed on February 2, 2022, as part of a set of associated transfers. The intent is to change the place of use for two ground water irrigation rights with a combined flow rate of 4.79 cfs. The fee paid was \$820.00 based on that rate. The fee was paid by Brockway Engineering with check #16777 at the time of filing. The IDWR receipt number is S039065.

However, upon further review only 15 acres of the POU will be changing. Therefore, the associated flow rate being transferred is 0.27 cfs for which the fee should be \$500. Because this transfer is part of a set of associated transfers, \$150 of the remaining \$320 will be applied to transfer 85775.

Re: Legal Notice Not Required

Legal Notice Not Required
2/8/2022

Pursuant to Section 42-222, Idaho Code, the Department has discretion to provide public notice as deemed appropriate. The water right changes proposed through this transfer application do not appear to change the effect on the original or hydraulically connected water source or affect other water rights. Therefore, staff review of the transfer application found no cause to require public notice. This application will continue processing without advertisement and be forwarded for approval consideration.

Transfer will only change POU of contiguous lands.
