

## MEMORANDUM

**Date:** February 16, 2022  
**To:** Transfer 85826  
**From:** Anna Kaiser  
**Re:** Review & Evaluation of Sufficiency of Information

Transfer 85826 proposes a change to the place of use (POU) of water rights 34-705, 34-826A, and 34-7089. The POU is proposed in approximately the same location as the current POU, with some minor adjustments to the POU boundary lines.

Contact person for this transfer is applicant River Park Golf Course & Campground LLC, P.O. Box 119, Mackay, ID 83251, 208-390-7419, candyapplered53@live.com

Authority to File:

The applicant is the current owner of all rights involved in this transfer and the land appurtenant to the water rights, and therefore has authority to file transfer.

Water Right Validity:

All three rights involved in this transfer were decreed on 12/18/1997. Based on the Department's GIS aerial imagery, it appears the rights have achieved beneficial use within the last five years and are therefore considered valid by Department standards.

Injury to Other Water Rights:

Injury to surrounding water rights will not occur since no POD changes are proposed

Enlargement of Use:

The proposed POU is locationally similar to the current POU. Enlargement is not anticipated.

Local Public Interest:

No evidence suggests this transfer is inconsistent with the local public interest.

Beneficial Use/Conservation of Water Resources:

The application proposes beneficial use consistent with conservation of water resources in Idaho.

Effect on Economy and/or Agricultural Base on Local Area:

No evidence suggests this transfer will hinder local economy or agricultural base.

**The application is consistent with criteria of I. C. § 42-222 and should be processed.**
