Dear Water Right Holder(s):

Upon further review, another water right was identified to be appurtenant to the property conveyed during the ownership change for water right 45-4213 from Joseph E. Tugaw to Tugaws Bar 76 Cabin LLC. The water right number is 45-12896. I have enclosed a computer-generated report for this water right. Note that the right also covers land not owned by Tugaws Bar 76 LLC. To add Tugaws Bar 76 LLC as a partial (joint) owner to the right, please submit a Notice of Change in Water Right Ownership form along with the \$25 filing fee (\$25/right) to our office.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 293-9912.

Sincerely,

Tyler Wallace
