**AGREEMENT FOR PURCHASE AND SALE
OF WATER RIGHTS**

THIS AGREEMENT FOR PURCHASE AND SALE OF WATER RIGHTS ("Agreement") is made and entered into this _____ day of February, 2021, by and between STEVEN H. GOWER and TRACY DUNLAP, husband and wife (collectively the "Seller"), and FLYING SQUIRREL PRODUCTIONS LLC, a Delaware limited liability company (the "Buyer").

RECITALS

WHEREAS, the Seller owns Water Rights 37-21849, 37-21866, 37-21883, 37-21900 and 37-21917 for irrigation of five (5) acres of land located in the Bellevue Farms Subdivision, County of Blaine, State of Idaho (the "Water Rights"); and

WHEREAS, the Buyer desires to purchase the Water Rights from the Seller on the terms and conditions set forth below;

NOW, THEREFORE, in consideration of the mutual covenants, promises and conditions set forth herein, it is agreed as follows:

ARTICLE 1
Sale of Water Rights

1.1 The Seller agrees to sell and convey, and the Buyer agrees to purchase, the Water Rights to be transferred to Buyer's property in Blaine County, Idaho for use in the pond on that property in the manner to be described in the Application for Transfer (the "Transfer Application") to be filed with the Idaho Department of Water Resources ("IDWR") as provided in ARTICLE 7, below.

ARTICLE 2
Purchase Price

2.1 The Purchase Price shall be

2.2 Payment Terms

2.2.1 Upon execution of this Agreement by both parties, the Buyer will immediately deposit into escrow with the law firm of Speck & Aanestad, A Professional Corporation, 120 East Avenue North, Ketchum, Idaho 83340 ("Escrow Agent") the sum of _____ as earnest money. The parties acknowledge that Escrow Agent is a law firm which represents Buyer in this transaction. Buyer hereby directs Escrow Agent and its attorney and independent contractors to comply strictly with the terms of this Agreement with respect to the escrow of the earnest money, including without limitation the deposit, maintenance, and ultimate distribution of the earnest money, regardless of other professional ethical obligations it owes to Buyer as Buyer's legal

counsel, including without limitation the duty of loyalty to a client. By executing this Agreement, Escrow Agent agrees to this term of this Agreement.

2.2.2 All earnest money identified in Section 2.2.1 shall be applied to the Purchase Price at Closing; however, in the event the IDWR does not approve the water right transfer on terms and conditions acceptable to Buyer, in Buyer's sole discretion, the earnest money shall be returned to Buyer, and all further obligations under this Agreement shall cease and become null and void.

2.3 All earnest money, together with the balance of the Purchase Price, that is , shall be delivered to the Seller at Closing.

ARTICLE 3 Buyer's Due Diligence

3.1 Buyer has conducted all due diligence concerning the Water Rights and their transferability that Buyer deems appropriate prior to entering into this Agreement and is not relying on any written or oral representations or warranties of Seller except those representations contained herein. Buyer acknowledges that Seller has no control over the amount of mitigation or ditch loss IDWR may require in approving the Transfer Application, and, therefore, the Purchase Price is based on the amounts of the Water Rights being purchased, and not the amounts of water that ultimately may be approved for diversion and use by Buyer as a result of any mitigation or ditch loss requirement in the approval process. Buyer further acknowledges that the Water Rights are currently leased into the Idaho Water Supply Bank. Buyer shall comply with all terms of said lease and shall be entitled to all benefits thereof which accrue following closing

ARTICLE 4 Closing and Conditions to Closing

4.1 Unless the parties agree otherwise, in writing, Closing shall occur within ten (10) days after IDWR's final and non-appealable order approving the Transfer Application, on terms and conditions acceptable to Buyer, in Buyer's sole discretion.

4.2 In the event the transfer of the Water Rights is not approved by IDWR as described in Section 4.1, above, Buyer shall have the option, but not the obligation, to proceed to Closing. In this event, Buyer shall notify Seller of its intention to close on or before the fifth (5th) day

following issuance of the denial by IDWR and closing shall occur on or before the tenth (10th) day following said notice by Buyer.

4.3 In the event IDWR has approved the Transfer Application, all Seller's conditions to close are met and Buyer fails to close on the Closing Date, Buyer shall forfeit all earnest money to Seller.

4.4 All assessments against the Water Rights shall be prorated as of the date of Closing.

ARTICLE 5 Warranties and Disclaimer

5.1 Representations and Warranties. Buyer and Seller represent and warrant one to the other that they have the power and authority to enter into this Agreement and the further agreements contemplated hereby, to be bound by, and to perform such agreements. The Seller makes the following additional representations and warranties, all of which shall be valid as of Closing and survive Closing:

- i. Upon consummation of the contemplated purchase, the lands to which the Transferred Water Right are appurtenant will no longer be irrigated unless Seller develops or obtains and transfers a new water right to such lands for irrigation;
- ii. Seller has not assigned or conveyed, or contracted to assign or convey, any of the Water Rights to any other person or entity; and
- iii. The Water Rights are free of any liens, mortgages, security interests, and encumbrances, with the exception of the Idaho Water Supply Bank Lease identified above.

ARTICLE 6 Deed

6.1 Title to the Water Rights shall be conveyed by a Water Rights Quitclaim Deed at Closing.

ARTICLE 7 Water Right Transfer

7.1 Transfer Application. Buyer shall prepare and pay for all fees and costs of the Transfer Application and any other documents or applications reasonable or necessary to the Transfer Application or other implementation of the transfer of the Water Rights pursuant to this Agreement. Buyer shall file the Transfer Application within thirty (30) days from the date of this Agreement, unless an extension is agreed to in writing by the parties hereto. Buyer shall ensure that Seller is included as a recipient of all notices from IDWR. As the owner of the Water Right, Seller agrees to cooperate in the Transfer Application by signing any and all necessary documents to facilitate the transfer, and Seller agrees to support the transfer before IDWR or any other

applicable governmental entity or political subdivision. In the event Buyer fails to timely submit the Transfer Application through no fault of Seller, Buyer shall forfeit all earnest money to Seller and this Agreement shall terminate.

7.2 Protest to Transfer. If the Transfer Application is protested Buyer shall have the option to either terminate this Agreement, in which case the earnest money shall be returned to Buyer, and all further obligations under this Agreement shall cease and become null and void, or to continue to pursue approval of the Transfer Application. Buyer, at his sole cost and expense, will retain the services of an attorney to represent Buyer in all proceedings associated with the protested Transfer Application.

ARTICLE 8

8.8 Entire Agreement. The Seller and Buyer acknowledge that the terms of this Agreement may vary from the terms contained in any other preliminary agreements, written or

oral, made prior to the execution of this Agreement and may vary from any negotiations between the parties prior to the execution of this Agreement. The Seller and Buyer agree that the terms, covenants and conditions of this Agreement shall supersede all such prior negotiations and agreements, and that there are no other agreements not contained in this Agreement, and that this Agreement shall be and is the final expression of the agreement of the parties and shall control. No modification of this Agreement shall be valid unless in writing and executed by the parties to the Agreement.

8.9 Severance and Validity. In the event any provision of this Agreement or any part hereof shall be determined by any Court of competent jurisdiction to be invalid, void or otherwise unenforceable, the remaining provisions hereunder, or parts thereof, shall remain in full force and effect, and shall in no way be affected, impaired, or invalidated thereby, it being agreed that such remaining provisions shall be construed in a manner most closely approximating the intention of the parties with respect to the invalid, void or unenforceable provision or part thereof.
