Mr. Wilson:

Your Application for Permit arrived in today's U.S. mail. The Point of Diversion (POD) and Place of Use (POU) legal descriptions shown on the Application Map must agree with Line 4 and Line 9 of the Application. Unfortunately, it appears that the location you have shown on the map with a '...P1...' does not agree with Line 4 of the Application.

Please phone me at (208) 762.2816 on Thursday (2/4/2022) after you have reviewed the attached maps and copy of your Application. I will explain the corrections needed to the map and, if required, on Page 1 of your Application.

You will need to print out, label, and return a copy of the color map attachment (96-XXXX WILSON SUB MAP) showing the labeled and correct POD and POU locations. You may need to return a corrected page 1 of the Application. Please let me know if you do not have access to a color printer so that I can mail you a color map to make the corrections on.

Thanks,

Shaun Maxey
