3. While a right is in the bank, the lessor may not use the right without approval of the Department even if the right is not rented from the bank. Narrative			
Douglas Marshak submitted individual applications to lease water rights 74-15882 and 74-15961 on Sep. 1, 2021. The places of use (POUs) of the two water rights do NOT overlap. The POUs pertain adjacent portions of the same tax parcel owned by Mr. Marshak, and share the same point of diversion. These rights were decreed in 2007, and have been leased to the Water Supply Bank since 2012. Forfeiture is not an issue. Satellite imagery indicates that the places of use have been idled since the rights were leased to the Bank in 2012. These rights are currently administered by Water Districts 74 and 170. The Region and the water districts did not respond to the request for comments.
