It does not preclude the opportunity for review of the validity of this water right in any other Department application process.

9. In accordance with Idaho Code § 42-248 and § 42-1409(6), all owners of water rights are required to notify the Department of any changes in mailing address or change in ownership of all or part of a water right. Notice must be provided within 120 days of the change.
10. If a water right leased into the Water Supply Bank is sold or conveyed during the lease term, and if the leased right was rented, the rental proceeds will be disbursed in the following manner regardless of any arrangements between the buyer(s) and seller(s) to the contrary:
 - a. Rental payments will go to the lessor(s) of record at the beginning of the rental season, even if the Department processes a Notice of Change in Water Right Ownership during the rental season.
 - b. New lessor(s) of record will receive payment for any subsequent rental seasons.
11. The water right(s) is leased to the bank subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
12. The period of use for the irrigation described in this approval may be extended to a beginning date of 03/01 provided that beneficial use of the water can be shown and other elements of the right are not exceeded. The use of water before 03/15 is subordinate to all water rights having no subordinated early or late irrigation use and a priority date earlier than 02/16/2007.

MEMORANDUM FOR APPLICATION # 2098

To: Water Right(s) 63-31470

From: Phill Hummer (Water Rights Supervisor)

Date: 12/29/21

Re: Review & Analysis of Application to Lease Water to the State Water Supply Bank

PURPOSE/NARRATIVE:

Application no. 2098 was received 06/22/21 from Ben Richeson, proposing to lease water right no. 63-31470 into the water supply bank.

AUTHORITY TO FILE:

The application was submitted by Ben Richeson as the designated agent. According to current IDWR records, Benjamin Richeson and Mikelle Richeson are the current owners of right no. 63-31470. Both parties completed and signed Attachment 1. There are no concerns with Ben Richeson's authority to submit and sign this application.

WATER RIGHT VALIDITY:

The partial decree for water right no. 63-31470 was issued on 2/16/07. The right was accepted into the water supply bank for lease in 2005 (contract 116) under an indefinite lease. In 2018 an 4.8 acre portion was split off from right and assigned to a new owner leaving 4.7 acres. Lease 116 expired in 2020. The remaining 4.7 acres are again proposed for lease, there are no concerns with the validity of the right.

INJURY TO OTHER WATER RIGHTS:

The right has been leased into the water supply bank since 2005, continued idling of ground water does not injure existing rights.

ENLARGEMENT OF USE:

Idling ground water under the lease does not enlarge the right. The applicants indicate they use delivered surface water for irrigation. However, the property appears to be specifically excluded from the service area boundary of the Boise Kuna Irrigation District. The property is within the service area boundary of the City of Kuna Municipal system. The right might be supplemental ground water, any proposal to rent this right should consider historic use and delivery service area boundaries.

LOCAL PUBLIC INTEREST: Review staff has no information to suggest this application is inconsistent with the local public interest.

BENEFICIAL USE/CONSERVATION OF WATER RESOURCES: The lease appears consistent with the conservation of water resources in Idaho.

DEPARTMENT STAFF OR WATERMASTER COMMENTS:

The point of diversion is not within a water district. A request for comment was sent to Western Regional Manager, Nick Miller, on 12/29/21. No comments were received so it is assumed there is no issue with the proposed lease.

Nick,

We received an application to lease ground water right 63-31470 into the bank. The right has been in the bank since 2005. The owners indicated the use delivered surface water to irrigate the property, but they appear to be specifically excluded from Boise Kuna service area boundary. This doesn't impact the lease in my opinion, so I recommend the right be accepted. Attached to this email is the contract, map, and review memo. Please let me know if you have any concerns with the lease, if I do not receive any comments, I will assume there is no issue and execute the lease.

-Phill
