Re: Labrouche Ag and Livestock LLC

Dear Mr. Cefalo:

Labrouche Ag and Livestock LLC desires to update the place of use of water right 29-4006. No other characteristics of this water right will be changing at this time. The irrigation pivot has been installed and the irrigation place use no longer matches what is actually being irrigated. The fee for this transfer will be \$580.00.

This farm was recently purchased from Keltop Farms LLC. The ownership of thirteen water rights needs to be updated. A copy of the most recent warranty deed is attached to this letter. The fee to change the ownership of these water rights is \$325.00

Please copy our office on all correspondence regarding this application and the water right ownership changes.

Sincerely,

Greg Sullivan, M.S., Engineer
