Narrative: The Department received these applications on November 23, 2021. The applicant is offering these rights to the Bank for the 2021-2025 seasons. The application states from 2022-2026 but an email corrected the seasons. These rights were decreed in 2007 and have been in the Bank since 2003. There are no issues of forfeiture. It does not appear that any irrigation has taken place via aerial imagery. These two rights are limited to the irrigation of 390.0 acres and 4.38 cfs with 27-2124 being limited to 318.0 acres in a 390.0 PPU. 27-4008 is an enlargement right of 27.2124. These rights are currently within WD 27.

Mary,

I got your message about the Keith Munns applications. Let's go ahead and change those to include the 2021 irrigation season so we don't have any time gaps. This may prevent any issues in the future.

Thank you,

Kristin Moore
