Dear Parties,

During our conference last week, I agreed to forward a copy of a recent order from the Department addressing forfeiture arguments. The attached orders come from contested Application for Transfer 82640. All of the documents for this contested case can be found on the Department's website using the following link: <https://idwr.idaho.gov/legal-actions/administrative-actions/transfer-82640/>

Pages 20-26 of the Amended Preliminary Order contain most of the forfeiture analysis, although the Director also addresses some of the forfeiture arguments on pages 7-9 of the Final Order. I hope this information helps you to draft discovery requests and prepare for the upcoming hearing.

James
