Denise -

I know he used the 2134 Highland address for many years. The Bliss address could have been when dad had a partnership interest in a farm there. Hope that helps! Let me know if you need anything else.

Have a good day!

Good morning,

I am processing the Change in Address that you recently submitted for your late father's water rights. We have 2 other addresses in our database and I want to be certain that I get all of the records updated accordingly. Can you please let me know if your father used to live at the addresses below? A simply reply to this e-mail works fine.
