Conditions of Approval:

1. C18 This partial decree is subject to such general provisions necessary for the definition of the rights or for the efficient administration of the water rights as may be ultimately determined by the Court at a point in time no later than the entry of a final unified decree. Section 42-1412(6), Idaho Code.
2. T08 Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.
3. T07 The right holder shall accomplish the change authorized by this transfer within one (1) year of the date of this approval.
4. R59 This right when combined with all other rights shall provide no more than 3.5 afa per acre at the field headgate for irrigation of the lands above.
5. Approval of Transfer 4909 does not grant any right-of-way or easement for use of a delivery system owned by person(s) other than the right owner.
6. The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department at both the diversion from the river and the redirection from the canal that will provide suitable control of the diversions.
7. Use of water under this water right will be regulated by the watermaster of State Water District No. 37, Big Wood River, and subject to the policies and procedures of Wood River Valley Irrigation District #45.
8. The portion of Right 37-23256 used for conveyance losses is 5.61 cfs. The remaining 2.10 cfs of Right 37-23256 is the authorized diversion at the field headgate.
9. S38 The use of water for irrigation under this right may begin as early as April 1 and may continue to as late as November 1, provided other elements of the right are not exceeded. The use of water before April 15 and after October 15 under this remark is subordinate to all water rights having no subordinated early or late irrigation use and a priority date earlier than the date a partial decree is entered for this right.
