RE: Water Supply Bank Rental Agreement No. 209 Rental Fees for 2022 for Water Right No(s) 71-64 A, 71-69, 71-11005, 71-11006

Dear Renter,

The following are rental fees associated with your active Water Supply Bank rental agreements for 2022:

Rental Agreement	Start	End	Water Right	Rental Volume (AF)	Total Rental Fee	Owner Fee (90%)	Admin Fee (10%)	Rental Fee Due Date
209	05/01/2018	12/31/2022	71-64 A, 71-69	423	\$846.00	\$0.00	\$846.00	12/31/2021
	05/01/2018	12/31/2022	*71-11005, 71-11006	12	\$240.00	\$216.00	\$24.00	12/31/2021
			Total	435	\$1,086.00	\$216.00	\$870.00	12/31/2021

Our records indicate that payment has not yet been fully received for 2022 rentals of the above water rights. A portion of your rights owned and rented by you were sold to new owners in 2021. Their water right numbers are added above with the increased fees due for 2022.

An action is required of you prior to the 2022 rental season to either request IDWR remove the rental with 12 AF of irrigation of lands no longer owned by you or provide IDWR a letter from the new owner permitting you to irrigate lands held by them. Additionally, the lease of these water rights is still in full effect and the new owners are not permitted to use the rights until they are released from the bank. Leased rights cannot be released from the Bank if they are rented.

If you have questions about your rental, you can contact me at 208-287-4936.

Thank you,

Mary Condon
Water Supply Bank Specialist
