(received August 3, 2021)

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department also acknowledges receipt of correspondence adding and/or updating security interest of the above referenced water right(s) to Metropolitan Life insurance Company. The Department has modified its records and has enclosed a computer-generated report for you. While processing these Notices, the following items were noted:

- Water right no(s). 36-2545, 36-7939B, and 36-8367 are each listed twice on the attachment to the Security Interest; making them duplicates. A refund in the amount of \$75 has been submitted for processing and will be sent to TitleOne in Burley.
- 36-8658 and 36-8671 are Applications for Permit, and are not in the name of L & S Land Holdings LLC. Applications for Permit are considered personal property, therefore in order to update ownership, you will need to file Assignments of Applications for both applications. Assignments must be signed by the *current owner of record*; or you must provide a complete chain of title to prove ownership. I have enclosed Assignment forms for your use as necessary.
- USDA Farm Service Agency is listed as a Security Interest holder on water right no(s) 36-7736 and 36-8803. In order to remove them as security interest holder, we will need written authorization from their agency.
- Water right no(s) 36-7291D and 36-7871 are currently in the name of Box Canyon Land Holdings LLC, and involved in a pending application for transfer. This application has not yet been approved by the department. For further information regarding this matter, please contact our office.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 293-9908.

Sincerely,
