Rod,

An alternative would be for you to print off a copy of the page that Brent signed, then sign it as President of the company, and then send it to me (by mail, scan, or fax). That might be easier. Or you could come in to the office and sign it in person. Let me know if you have any questions.

Rod,

I noticed that the application was signed by Brent Barrus. In order to finish up this transfer application we need something from the company showing that Brent has authority to sign on behalf of Teton Island Feeder Canal Co. Thanks.

Michael
