Subject: RE: Withdrawal of Protest--Transfer 83363 In the Name of Taylor Canal Company, Inc.

Parties,

With the withdrawal of the sole protest in this matter there appears no need for a status conference, therefore the status conference set for December 22, 2021, at 3:00 PM in the above-referenced matter is VACATED.

Subject: Withdrawal of Protest--Transfer 83363 In the Name of Taylor Canal Company, Inc.

Peter and James:

Attached for processing is a withdrawal of protest to Transfer 83363 signed by me on behalf of my client, Janet Widmer of Widmer Ranch, L.L.C. As noted on the withdrawal form, it is contingent upon IDWR approving 83363 with an amended service area to include the Widmer property depicted on the map attached to the withdrawal. A few minutes ago, I confirmed by phone with James Cefalo that IDWR could issue the approval for Transfer 83363 based on this map without the need for Taylor Canal to file any other documents with IDWR. This is good news. Based on this representation, I believe the attached withdrawal resolves all of the remaining issues in this contested case.

We appreciate your patience on this contested case, as the parties have entered into a settlement agreement that resolves this matter and other ancillary matters that do not concern IDWR, and those issues have taken some time to resolve. Overall, the agreement will be beneficial to all involved.

Given the attached withdrawal, my suggestion (and Randy has agreed by email) is that we vacate the status conference set for today at 3:00 p.m. However, Peter, until you send an email vacating the status conference, I will assume it is still planned and plan to dial in. You may want to keep the conference as scheduled simply touch base with Randy and I, which is fine. Let Randy and I know if you agree that the status conference should be vacated or if you would like us to still dial in.

Thanks,

Cefalo, James
