Re: Application to Appropriate Water within the State of Idaho.

An application for permit was received for domestic and irrigation use(s) in the name(s) of Erik Prusch, Jere Prusch, & Isabella Prusch. During initial review and entry to ADHOC, the season of use for irrigation was identified by the applicant(s) as 1/1 – 12/31; the irrigation season of use was adjusted to reflect the Department standard for the Priest Lake region of 4/1 – 10/31 for both applications.

Both applications identified Government Lot 1 in the POD but omitted the government lot designator for the POU. During application processing into ADHOC, Government Lot 1 was added to accurately describe the POU located within 61N04W, Sec 33, NENW1 for both applications.
