RE: Change in Ownership Water Right No. 27-7492, 27-10489, 27-11154, 27-11155

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. The department has sufficient evidence to update 27-11154 and 27-11155.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership/Additional Filing Fee:** According to the information received, LSJ Wapello Farm did not purchase the entire place of use of 27-7492, no portion of 27-10489 was purchased. Please review the maps attached, supply additional evidence of ownership if you believe you own the entire place of use of 27-7492 and 27-10489. If you believe a split is required, an additional filing fee is required. If you do not own any portion of 27-10489 and only a portion of 27-7492 the filing fee for your application will be \$150.00 ($1 \times \$100 + 2 \times \$25 = \$150.00$). The department already received \$100.00 with your application, therefore an additional \$50.00 would be required. Please supply additional evidence of ownership or additional filing fee.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

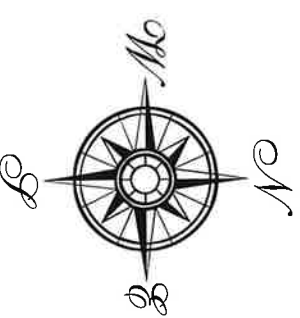

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist

The image is an aerial photograph overlaid with a survey grid. A central parcel, outlined in pink, is hatched with diagonal lines and labeled 'NE3/4' and '0.7816E'. The grid is divided into sections 7, 8, 9, 16, 17, and 18. Various quarter-section labels are visible, such as 'NW1/4', 'SE1/4', 'SW1/4', and 'NE1/4'. A road or railway line runs diagonally through the bottom left corner.
