Re: Change in Ownership for Water Right No(s): 1-229, 36-11347, 36-11384

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Please note originally 36-11739 was listed on the application however that water right was not appurtenant to legal description provided with your application, however on the map attachment was water right 36-11384, which is appurtenant to the legal description provided. So that water right was updated and 36-11739 was not.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 497-3787.

Re: Notice of Change in Water Right Ownership for WR 1-229, WR 36-11347, and WR 36-11739.

Dear Jonie:

Enclosed for processing is a *Notice of Change in Water Right Ownership* for the above three (3) water rights. The water rights are not being split, and therefore, we have included a check in the amount of \$75.00 for the filing fee. WR 1-229 and WR 36-11347 are currently in the name of Henry Schodde and Helen Melton (the last name of "Milton" is on WR 1-229, which is a typo) on IDWR's records. WR 36-11739 is only in the name of Henry Schodde.

The relevant property where these rights are appurtenant was previously owned by Henry T. Schodde and Helen Melton as tenants in common. Accordingly, conveyance of their undivided interests in the property and associated water rights occurred through different deeds. Beginning first with Henry T. Schodde's interest, enclosed is the *Deed of Distribution* recorded as Inst. No. 506079 in the records of Minidoka County where the personal representatives of Henry Schodde's estate (including the community property interest of Martha Schodde, Henry's wife) was conveyed to Henry Lynn Schodde and Sheila K. Catmull as tenants in common. The legal description covers the properties upon which the above water rights are appurtenant.

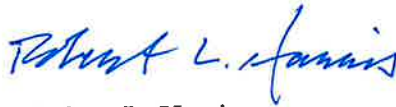

Helen Melton's interest in the relevant property was conveyed to Barbara J. Swedell as evidenced by Inst. No. 516036, which is a personal representative's *Deed of Distribution*. Eventually, Ms. Swedell conveyed her interests into her trust as evidenced by Inst. No. 524123. Ms. Swedell recently died, and the trustee of her trust, Larissa Swedell (her daughter), conveyed title to her interest to Henry Lynn Schodde's two (2) sons, Michael H. Schodde and John T. Schodde, as evidenced by Inst. No. 560760. Accordingly, the end result of all of these deeds is that there are four (4) tenants-in-common for the property and the appurtenant water rights.

We have included a map for your reference that outlines the boundary of the Schodde property and the places of use of the water rights addressed by this *Notice of Change in Ownership*.

Please let me know if you have any questions or concerns.
