RE: Change in Ownership Water Right No. 25-7643

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Signature Authority:** upon review of the information the department received for DV Water Association ownership change for 25-7543, additional information is required. The department can update the water right to The Dream Village Water Association based on the Quit Claim Inst. Number 351599. However, the department does need documentation that David Woods has the authority to sign for The Dream Village Water Association. Please supply additional documentation.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
