RE: Change in Ownership Water Right No. 29-7276, 29-7432, 29-13247

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership/Additional Filing Fee:** According to the Warranty Deed attached to your application you did not purchase the entire place of use of the above-mentioned water rights; therefore, a split is required. Please review the map attached if you believe you do own the entire place of use of the water rights please supply additional evidence of ownership, specifically for portions in Section 4, Township 11 South Range 36 East, Section 5, Township 11 South Range 36 East, Section 8, Township 11 South Range 36 East, and Section 9, Township 11 South Range 36 East. If you believe a split it is required, please supply the additional split filing fee. The fee for a split ownership change is \$100.00 *per water right*. Therefore, the total filing fee would be \$300.00, the department received \$75.00 with your application so the additional fee would be \$225.00.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist

Idaho Department of Water Resources
