RE: Change in Ownership Water Right No. 11-934, 11-933, 11-931, 11-7488

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. The department has sufficient evidence to update 11-7488.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership/Additional Filing Fee:** Additional information and/or fees is required to complete 11-931, 11-933 and 11-934. Please review the map attached it appears the department is missing evidence of ownership for a portion of the water rights numbers 11-931, 11-933 and 11-934. Specifically, portions located in Sections 31 and 32, Township 14 South Range 46 East. Please supply evidence of ownership. If you do not believe you own the entire water right please supply the additional filing fee to split the water rights. A split ownership change is \$100.00 per water right, the department received \$25.00 per water right therefore the additional fee would be \$225.00. ($3 \times 100 = 300 - 75 = 225$)

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,
