RE: Security Interest in Water Right No. 11-7313, 11-7312

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Security Interest. On November 19, 2021, the department talked with your office and requested additional information and fees as of the date of this letter the department has not received the information and/or fees.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Security Interest:** A full copy of the recorded Deed of Trust or Mortgage or other legal document indicating your interest in the water rights above.

**** **Filing fee:** Filing fee for a security interest is \$25.00 per water right. Please supply \$50.00, for the department to update the security interest as requested (2 water rights X \$25.00 per water right = \$50.00).

Because the Department cannot process the security interest without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
