Hello,

I am handling a rezoning application in Custer Co. on his behalf, which included the water rights record as an exhibit in the application. Duffy noticed the old address on his record and asked that I handle the change of address as a point of order/housekeeping since the record had not been updated in several years.

The telephone numbers on the current record and the proposed new record match. He can be contacted at that number on the old record if you require further verification.

I have also cc'ed him on this email. Please let me know if I can be of further assistance.

Thanks,
Ian Root
