RE: Application for Permit No. 96-10044

Dear Applicants:

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the BONNER COUNTY DAILY BEE on 12/16/2021 and 12/23/2021. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Tammy Alleman
Administrative Assistant

MEMORANDUM

To: Water Right Permit 96-10044

From: Luke Bates 

Date: 11/30/2021

Re: Application for a Permit to Appropriate Water within the State of Idaho.

An application for permit for irrigation use in the name of Bruce and/or Laura Lines was originally received on 11/24/2021. During initial review the application was complete, but required minor clarifications for the water source, POD location, and diversion rate between step 5 & step 6. The applicant resubmitted a revised application for permit, received by the Department on 11/30/2021.

While the original application has been superseded by the revised version received on 11/30/2021, all changes made are clarifications in accordance with IDAPA 37.03.08 Section 035. The initial received date of 11/24/2021 shall be used as the priority date for filing purposes.
