RE: Request for copy of file content of Water Right 96-8983

Dear Mr. Swan:

In response to your phone call of October 21, 2021, I have enclosed a copy of the content of Water Right 96-8983 which is currently owned by Live More Community Association.

I understand from our conversation that the scanned images of Right 96-8983 are difficult to read from the electronic devices available to you. I hope the enclosures work better for you.

I have avoided staples and paper clips but the pages are grouped together for a reason. The groups represent how the pages appear in the file: either left side or right side and in date order from oldest to youngest.

My recent findings have not yet been scanned into the file so I have separated those pages and included them as another group.

Sincerely,

Michele D. Edl
