It does not preclude the opportunity for review of the validity of this water right in any other Department application process.
9. In accordance with Idaho Code § 42-248 and § 42-1409(6), all owners of water rights are required to notify the Department of any changes in mailing address or change in ownership of all or part of a water right. Notice must be provided within 120 days of the change.

 - a. Rental payments will go to the lessor(s) of record at the beginning of the rental season, even if the Department processes a Notice of Change in Water Right Ownership during the rental season.
 - b. New lessor(s) of record will receive payment for any subsequent rental seasons.
11. The water right(s) is leased to the bank subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.

Water rights **31-7094, 31-11444, 31-12300, 31-12302 & 31-12304** were leased into the Water Supply Bank (Bank) as of January 1, 2021, in accordance with the enclosed executed lease contract. **Your water rights, as described on the lease contract, are considered leased into the Bank and should remain unused until they are formally released from the Bank.** More information and further restrictions placed on your water rights while leased can be found in conditions of acceptance of the lease contract. Read the conditions of acceptance carefully.

The rights will automatically be released from the Bank on **December 31, 2023**, unless the rights are released earlier by the Water Resource Board (Board). On behalf of the Board, the Department of Water Resources (Department) can evaluate an early release of the lease contract upon your request. To release the water rights from the Bank prior to the release date, submit a written request on the *Request to Release a Water Right from the Bank* form. This form is available on our public website at www.idwr.idaho.gov. **Please note your water rights may not be available for immediate release if they have been rented or are being considered for a future rental. Furthermore, it is at the discretion of the Department whether or not a water right can be released early from a lease contract.**

Dear Applicant:

The Department of Water Resources has completed its review of your application to lease the above-mentioned water right to the Water Supply Bank. **I have enclosed two original Water Supply Bank Lease Contracts for your review and signature. Please sign and return ALL Lease Contracts within 14 days.** Upon signature and return of the contracts, the Department will also sign the original contracts and return an executed copy to you. RE: LEASE APPLICATION FEE REQUEST TO LEASE WATER RIGHT NO(S). 31-7094, 31-7114, 31-11444, 31-12300, 31-12302 & 31-12304 TO THE WATER SUPPLY BANK

TIME SENSITIVE RESPONSE REQUIRED

Dear Applicant:

The Department of Water Resources (Department) received your application(s) to lease water right(s) 31-7094, 31-7114, 31-11444, 31-12300, 31-12302 & 31-12304 to the Bank on April 29, 2021. During the initial review, it was determined that additional information and fees are needed before the Department can process your applications.

Water rights 31-7094, 31-7114, 31-11444, 31-12300, 31-12302 & 31-12304 are currently in the name of Megan Foos. A Notice of Change in Water Right Ownership will need to be filed with the Department or documentation from Megan Foos that Rocky Mountain Land & Cattle have the authority to place the rights in the Bank on her behalf. I have enclosed a Notice of Change in Water Right Ownership form for your benefit.

Effective April 8, 2011, Water Supply Bank Rule 25.02 (also known as IDAPA 37.02.03.025.02.f) requires a \$250.00 fee be submitted with all Water Supply Bank (Bank) lease applications. The fee for a set of overlapping rights is a maximum of \$500.00. To clarify, Bank lease applications seek to place water rights into the Bank.

Not all of the rights you requested to be placed in the Bank are overlapping. Water right 31-7094 and 31-7114 will be leased separately and water rights 31-11444, 31-12300, 31-12302 & 31-12304 are overlapping and will be leased together. The additional lease application fee will be \$500. **Please submit the \$500.00 lease application fee and ownership documents within 14 days.** Without the additional fees and ownership documents, your application(s) are considered incomplete and will not be processed.

Once the additional fees and ownership documents are received, your application(s) will be reviewed. If the right(s) is determined to be eligible for acceptance into the Bank, the right will be entered as of the date of receipt of the application. The acceptance date may be adjusted if additional information is required.

Please note the forfeiture period is not tolled unless a right is accepted into the Bank, or unless an exception or defense to forfeiture applies as described under Idaho Code § 42-223. If forfeiture is a concern, you may consider filing an Application for Extension of Time to Avoid Forfeiture of a Water Right. This and other water right forms are available from the Department's web site, <http://www.idwr.idaho.gov>.

Please contact me if you have any questions at (208) 287-4942.

Sincerely,

Jean Hersley
