Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you. While processing this Notice, the following items were noted:

- Water right no(s). 36-8367 and 36-10098 are duplicate filings. These rights were included on a Notice of Change in Water Right Ownership filed on August 3, 2021; which has also recently been completed and copies will be sent under separate cover. A refund in the amount of \$50 has been submitted for processing and will be sent to TitleOne in Burley.
- Michael H Felton Jr. is listed as attorney of record on water right no(s). 36-11070 and 36-15181. Mr. Felton can be removed from the water right records with written authorization from you, your attorney of record, or Mr. Felton.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

If you have any questions concerning the enclosed information, please contact me at (208) 293-9908.

Sincerely,

Denise Maline
