Principals Report

Chart showing a good trend and improvement academically.
Test scores reflect the quality of teachers LVS has this year
Principal is facilitating the materials, the teachers are doing their work in the classroom.

Students in the state of Idaho testing grades K-3 grade in the Fall and Spring. LVS access testing monthly.
In this chart, students are above grade level working in the top 40% nationally, so four (4) of the students are reading above grade level and 60% are above grade level in math

The I-station tests get more complex as the year goes by so its not the same test, showing measurement growth. Title 1 administrator from Pocatello was quite impressed with our test scores.

Title 1 – Funds equals about \$8000 dollars for the year
Covers the cost all educational Intervention materials, supplies (paper, ink cartridges, print/reading and math materials,
Phonics program/Kindergarten, also a standard grading program/attendance, contact info/parents
On going research as to valid requests Title 1 may cover.

Action: (Jan/Kathy) worksheet -Donor list from 2016, 2017, 2018 - names, mail addresses, phone numbers, email addresses, category in donation/dollars

Continue to give proof of test scores and progression of students – show statewide stats/charts (I-station scores), upward trends

Keep Allison Foundation updated on scores, improvements, progression/ students

Lance Kolbet

Financial advisor, worked with nonprofit organization- 501c3
Purchase membership to the Chamber of Commerce for Lillian Vallely School

Suggestions on how to raise money short term

Requested Lance to become or part of and create a financial advisory committee, including Jon

Underwood and Troy Goodwin

Introduced term called "Touch Points" – (6 communications to every donor) 6 touch points per year on every donor: Phone call, personal letter/mail, email, newsletter, LVS on list for fund raiser (Fantasy Christmas's Tree – awarded \$2500 last year – used for fuel/vans) contact friends, use Facebook, go fund me asking donation dollars as Birthday gift through Facebook (Lee Hammett)

Flexible Spending account – participants declined (only 4 employees)

MEP – Multiple Employer Plan – many small companies band together including your 401K

VISTA – Volunteers In America -Federal program, partnership between private company in the public sector

INFO USA – Informational company – cost to export names, addresses, emails, phone numbers, different tier fees/levels for criteria, demographics

"Savings not Revenue"

LVS is a 501c3 eligible to hire VISTA volunteer , VISTA provides living allowance, Fed. Income and FICA are withheld from a stipend

A full time grant writer assisting Stephanie, VISTA volunteer could do the research and Stephanie can submit proposals/grants

Another suggestions - volunteer takes over tactical office duties, free up Kathy to do more business oriented duties.

Use another educational aide

Action: Lance – Send VISTA manager's name and phone number to Jan and Kathy

Get with Kathy/Jan look into insurance cost and quote regarding insurance, property liability, etc.

Lance/Stephanie – writing grant – Million Dollar Round Table Foundation – send copy of proposal/request for grant to Dustin and Lee, forward to Jon, and Doug

Consider making recommendations to us of perspective Board members that are local to the Snake River Plain, people you know that could actually bring funding and revenue

Dinner – Introductory dinner for potential donors, business owners, stimulate good networking

Structure of the LVS Board membership

Need additional Board members with money that are willing to put money into/for the School.

People that can either personally or through relationships bring in resources in addition to bringing business knowledge

Recommended names: Barry Baumgartner, Art Berry, Troy Goodwin, Corwin Sourthern, Rich Demarest, (if not Board, possible Advisory Board), Tim Loge, Boise (stains deck every summer and brings snack for students, former Board of Director)

Motion: Jon Underwood moved to purchase 1000 contacts (INFO USA) in Southeastern Idaho on the needed criteria/filter given. Seconded Doug Eddington

Amended Motion – on hold – further discussion and decisions with information given

Action: Strategy – (Short term ask)

Jan/Kathy create call list and categorize donor list

List all our donors who have donated within the last three years, donating \$500+

Telephone date to call – week of March 25, hours between 3-7pm

Including personal relationships and contacts

Kathy/Jan composing pre-contact letter to donors

Stating we will be contacting them via a phone call
Jon, Tammy, Colleen will call the Arizona donors
Telephone pitch – Lee will send sample of what to say, how to say, etc
Jan and Kathy and Jon will send mean and true numbers needed to keep LVS in operation (financials)
Jan will send mean and true percentages of scores, results and progress

Funding and LVS Structure

Cost per student - \$800/\$900 the state is about \$600, LVS is about 30% more
Three 5th graders, three 4th graders, six 3rd graders – 12 students upper graders
Next year six second graders, so 15 students in K-2.
Vans – two vans right now – additional Kindergarten, if Kindergarten grant is awarded
There would possibility a need for another van
There is grants for most of the teachers and aides, no grants for drivers
Cannot cut Culture, and Godly play

Kathy and Stephanie will meet to confirm and not miss any grants/proposal submitted

Stephanie is producing more effective activity, Not using Instrumental program as she is using a program that includes Instrumental information and more. It has been suggested not to renew Instrumental subscription.

Not only does she find good grant resources but need to consider undiscoverable resources, seek what charitable business policies that include educational grants, student sponsorships, and other require eligible availabilities

Action: Jon Underwood, Kathy will work on mean and true figures for donating figure and for next year's budget.

Business Manager vs Office Manager

Lee, Doug and Dustin and Kathy will represent LVS as Chamber of Commerce members. Kathy has committed to a meeting or members luncheon once or twice a month. Jan and Kathy are an outstanding team managing the office and staff. Collaboration with Jon on the financials is one of the most important and rewarding part of the job.

Election of Officers:

R Lee Hammett is stepping down from the presidency of the LVS Board of Directors, and will remain on the board. The first two years was very challenging and weathered through like a Champion and a true professional. In Doug Eddington's words " We board members owe a big THANK YOU to Lee, when the wind blew, Lee was in the front of the ship breaking the gail".

Motion: for election of officers starting with the president.

Richard Holden move to nominate Doug Eddington as President of the Lillian Vallely Board of Directors.
Jon Underwood seconded, all I favor, motion carried
