Re: *Application for Permit No. 63-35053*

Dear Mr. Miller:

On behalf of Edwards Family LLC, I hereby submit the following comment in lieu of a formal Protest regarding Application for Permit No. 63-35053 (the "Application"). The Application proposes diversions from ground water within the boundaries of the Boise Front Low Temperature Geothermal Resource Ground Water Management Area. If the Application is approved, it should be conditioned to prevent the diversion of geothermal water and to assure that only cold water is diverted and to require monitoring to assure no geothermal water is diverted.

Please contact me if you have any further questions or need further information. Thank you.

Sincerely,

HAWLEY TROXELL ENNIS & HAWLEY LLP
