RE: Security Interest in Water Right No(s): 63-2806, 63-11674, 63-33846

Dear Interested Parties:

The Idaho Department of Water Resources (Department) received a Notice of Security Interest (Notice) from you on March 8, 2021 for the above referenced water rights. The Notice could not be processed because no evidence of security interest was provided, and the names of the water right owners on your Notice do not match the name of the owner of water right no. 63-11674.

On October 13, 2021, the Department requested a copy of your Deed of Trust, Mortgage, or other documentation from you. As of the date of this letter, the Department has not received the required documentation.

The Department is returning your Notice of Security Interest and the attachments. A refund of \$75 has been requested and will be mailed to Farmers Bank under separate cover from the Idaho State Controller's Office. You may re-submit your request with the appropriate documents and fees.

If you have any questions regarding this matter, please contact me at (208) 334-2190.

Sincerely,

Lynne Evans

RE: Security Interest for Water Right No(s): 63-2806, 63-11674, 63-33846

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Security Interest (Notice). Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

- Evidence of Security Interest: copy of Deed of Trust, Mortgage, Contract of Sale or other legal document indicating your interest in the property and water rights in question

Please submit a copy of your Deed of Trust, Mortgage, or other document showing your security interest in the water rights owned by H. David and Sandra J. Christensen.

Regarding water right no. 63-11674:

The names of the water right owners on your submitted Notice do not match the name of the current recorded water right owner, Jerome Scroggins. The Department will require a valid Notice of Change in Water Right Ownership from H. David and Sandra J. Christensen to update the water right before we can complete your request.

Because the Department cannot process the Notice without proper documentation, we will hold any action on your Notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your Notice and all attachments and your Notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 334-2190.

Sincerely,

Lynne Evans
