Re: Application for Transfer Submitted on Behalf of the City of Ammon to Add New Well to its Water Rights.

Dear IDWR Agent:

Enclosed for processing is a *Transfer Application* submitted on behalf of the City of Ammon which proposes to add a new well location to its current well locations for all the City's water rights. Based up on the Department's fee schedule, we have enclosed a check in the amount of \$2,460.00 as the transfer proposes to amend all 30.53 cfs of the City's water rights. The City recently acquired softball fields adjacent to a church building with a well that was drilled in 1992 under WR 25-7606. This is the well proposed to be added to the City's water rights.

If you have any questions concerning this application or any of the exhibits, please let me know. Additionally, if you would like any of the GIS shapefiles depicted on the maps included with the transfer, please let me know, and I will email them to you. My email address is rharris@holdenlegal.com.

Best regards,

Robert L. Harris
