RE: Change in Ownership for Water Right No(s): 2-10443, 57-4043, 57-4044, 57-10924

Dear Interested Parties:

The Idaho Department of Water Resources (Department) received two Notices of Change in Water Right Ownership (Notices) from you on June 1, 2020 for the above referenced water rights. The Notices could not be processed because the chain of title for water right no. 57-10924 was incomplete; the deeds submitted with your Notice did not include the entire place of use for the water rights; and no split fee was submitted to divide the water rights based on the property described in said deeds.

On July 1, 2020, the Department sent a letter requesting the required documentation and/or fees from you. On September 9, 2020, we spoke with Dave from ERO Resources Corp. to request the same. As of the date of this letter, the Department has not received the required information or additional fees. A copy of our letter dated July 1, 2020 is enclosed for your reference.

The Department is returning a copy of your Notices of Change in Water Right Ownership and the attachments. A refund of \$100 has been requested and will be mailed to Jaca Land Co LLC under separate cover from the Idaho State Controller's Office. You may re-submit your request with the appropriate documents and fees.

If you have any questions regarding this matter, please contact me at (208) 334-2190.

Sincerely,

Lynne Evans

RE: Notice of Change in Ownership for 21 Water Rights

Dear Interested Parties:

The Department of Water Resources (Western) acknowledges receipt of your Notices of Change in Water Right Ownership for 21 water rights. 17 of the water rights indicated in your Notices have been successfully changed to your ownership, while 4 of the water rights require more information before they can be processed. Please read below for more details.

Regarding water right nos. **2-2266, 2-10406, 55-4095A, 57-200, 57-246, 57-267, 57-1017, 57-1021, 57-1022, 57-1023, 57-1024, 57-4089, 57-7483, 57-10726, 57-10727, 57-11528, 57-11563:**

These water rights have been successfully changed to your ownership. The Department has modified its records and has enclosed a computer-generated report for you.

Regarding water right no. **57-10924:**

Our review of your Notice found that the submitted Quitclaim Deed is insufficient evidence of ownership for the above referenced water right. Chipmunk Grazing Assn is listed as a current owner of the water right in addition to Elias Jaca. In order to complete the change in ownership, please submit additional documentation showing the conveyance of the property from Chipmunk Grazing Assn to Elias and/or Inez Jaca, or to Jaca Land Co. LLC. If Elias and/or Inez Jaca is the owner of Chipmunk Grazing Assn, please submit documentation demonstrating this ownership.

Regarding water right nos. **2-10443, 57-4043, 57-4044, 57-10924:**

During our review of the documentation you submitted we found discrepancies between that documentation and the legal description of the place of use for the water rights indicated in your Notices. The submitted deeds do not include the entire place of use (POU) for the water rights. I have enclosed maps and a copy of the water right reports for your reference. If you do own the entirety of the property and/or water rights, please submit additional documentation showing your ownership of the property. If you do not own the land, but do own the water rights separately from the land, a Quitclaim Deed from the current owner of record will be considered sufficient evidence of ownership.

If you do not own the entirety of the property or water right(s), an additional fee will be required in order to process the change in ownership as a split. There is a filing fee of **\$100 per water right** for changes resulting from a division of a water right. The \$25 per water right already submitted with your Notice will be applied to the balance.

Because the Department cannot process the Notice without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information and/or fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact our office at (208) 334-2190.

Sincerely,

A handwritten signature in black ink, appearing to read "Lynne Evans".
