RE: Change in Ownership for Water Right No(s): 67-7997, 67-7998

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

- Filing Fee of \$25 per water right
- Evidence of Water Right Ownership: copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

The Department received a \$25 fee with your Notice, but the total fee for two water rights is \$50. Please submit an additional \$25 to the Idaho Department of Water Resources, along with a copy of your evidence of ownership, in order for your change in ownership to be processed.

Because the Department cannot process the Notice without proper documentation and fees, we will hold any action on your Notice pending receipt of the necessary information and fees. If we do not receive the necessary information and/or fees within 30 days we will return your Notice and all attachments and your Notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 334-2190.

Sincerely,

DENISE LAUERMAN
