Re: Change in Ownership for Water Right No(s): 15-7472

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Water right number 15-4188 was split into 15-4188 and 15-7472 due to the ownership change filed by Arne Jones in September of 2020. Joshua Corbridge purchased the portion of 15-4188 that Arne Jones purchased which is 15-7472. Therefore Mr. Corbridge is not entitled to any portion of 15-4188. Because the ownership change could not be complete for that number a refund is required. The refund has been initiated and will arrive from the state office in a couple of weeks. A copy of the proof report and map for 15-4188 will be included for your review.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 497-3787.

Sincerely,

Jonie Barg
