RE: Water Right Change in Ownership No(s): 95-882

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change:

- Evidence of Water Right Ownership: copy of notarized warranty deed, quitclaim deed, court decree, or other legal document indicating your ownership of the property and/or water rights in question

Because the Department cannot process the Notice documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 762-2813.

Sincerely,

Natalie Steading
