Evan,

To the best of my knowledge, everything IDWR has in the file for this transfer is scanned, profiled, and available via the Department's Water Right Search tool online under the water right number 37-577BP. The Department's Water Right Search tool is available here: [Water Right Search | research.idwr.idaho.gov](https://research.idwr.idaho.gov). Here's a link after I enter the water right number into the search tool which I hope will work to get you directly to the documents [Document Search Results \(idaho.gov\)](#).

I've copied Denise Maline at our Southern Region office on this response in case there are any documents that might not be scanned, profiled, and publicly available. However, I'm not aware of any documents that aren't already scanned, profiled, and publicly available. Please let me know if we can help with anything else.

Regards,  
Angie

Thanks, and can you send me a link to review and get copies of everything the IDWR has in the file for this transfer, or do I have to file a formal request? Evan

Evan,

Good afternoon! The status conference is set for Nov 16, 2021 at 9 am to be held via telephone. The details are towards the bottom of the Prehearing Order; Notice of Status Conference served Sept 1, 2021. I've attached a copy of that order to this email for easy reference. Please let me know if I can help with any additional procedural questions.

Angie

Mr. Robertson and Mr. Haemmerle,

Good morning! During the pre-hearing conference for Transfer No. 83485 in the name of Eccles Flying Hat Ranch LLC, it was proposed we hold a status conference in this matter on Thursday, November 18 at 10 am before the hearing in January. Unfortunately, I am unavailable at that time.

I'm requesting your availability on Tuesday, November 16 instead. I propose a time of either 9 am or 2 pm on Tuesday, November 16, 2021 for a telephonic status conference in this matter. Can you please reply to this email and let me know if you are available either at 9 am or 2 pm on November 16?

If one of you is not available November 16, please let me know that as well and I will endeavor to find another date, perhaps Monday November 15 or one day the week of Nov 29 – Dec 3.

I apologize for this misunderstanding and hope you are both available November 16. Once we've confirmed the date and time for a telephonic status conference, I will finalize the notice of hearing and scheduling order.

Regards,  
Angie
