Subject: Clarifications on Water Right Permit Application 85-15829

Ms. Doyle:

Your Application to divert water from a well has arrived at our office and been assigned ID number 85-15829. Some clarifications are needed.

Please reply to this e-mail to indicate your approval to make the following changes to Application 85-15829.

- 1) Add a "N" after the '...35...' on Line 4 and again on Line 9 of the Application. This clarification is needed so that Township Number shown on your map for your well and the new home (blue square on map) will match the legal description shown on Line 4 and Line 9.
- 2) Line 5 (Domestic use) and line 6 (total use) show different numbers for the amount of water (Cubic Feet per Second) you will use. This should be 0.04 CFS for both lines if Domestic is your only use.

Thanks, Please call me if you have any questions at (208) 762.2816. Your Application included two identical maps. Only one map is required for your Application. Please let me know if you want one of these maps returned to you.
