43-10210, 43-10362 & 43-13538

Dear Security Interest Holder:

The Department of Water Resources (Department) acknowledges receipt of correspondence adding security interest of the above referenced water right(s) to you. The Department has modified its records to reflect the change in security interest and has enclosed a computer-generated report for you.

While processing this Notice, it was noted that water right no. 43-10565 may have been listed on the form in error. This water right is in the name of *State of Idaho, Department of Lands*, and does not fall under the places of use listed on the attachment to the Notice; nor was it listed on Exhibit B-1. A refund request in the amount of \$25.00, payable to TitleOne, has been submitted for processing.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Security Interest, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

If you have any questions concerning the enclosed information, please contact me at (208) 293-9908.
