Re: Change in Ownership for Water Right No(s): 37-297D, 37-20359 & 37-22354

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you. You will note that attorney James Speck has been copied on this letter, as he is the attorney of record on water right 37-22354. The department can remove Mr. Speck from the water right record upon written authorization from either you or Mr. Speck.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

A portion of Water Right(s) 37-297D and 37-20359 were leased to the Water Supply Bank (Bank) in 2020. To date, part of right 37-297D appurtenant to 0.03 cubic feet per second (cfs) and 0.7 acres; and part of right 37-20359 appurtenant to 0.01 cubic feet per second (cfs) and 0.7 acres (SESW, Section 33, T3N, R18E) remains leased to the Bank. In accordance with the Bank lease acceptance, the lessor or current right holder may not use the right(s) while it is in the Bank, even if the right(s) is not rented from the Bank. This portion will remain in the Bank until December 31, 2025, unless the rights are released earlier by the Idaho Water Resource Board or upon request by the right holder. **To reduce the term of the lease, the right holder must submit a written request to the department.** The department will verify if the right is rented or available for release and notify the right holder of the release date.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 293-9908.

Sincerely,

Denise Maline
