Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of additional information/fees for your recently filed Notice of Change in Water Right Ownership.

Our review of the information shows the information/fees was already submitted to the department and your applications have already been complete. Because the department has already received the additional \$100.00 filing fee for your application you are entitled to a full refund of the check received on September 1, 2021 (E047323). The department has initiated the refund and it should arrive from the state office in couple of weeks.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,
